Earl Grey (Black)

A blend of Ceylon and Calabrian bergamot oil. A true citrus explosion.

Assam (Black)

A farm that is close to our hearts due to the profile of the teas that it produces. Rich, Malty, Sweet - all the characteristics that you would expect from a good quality Assam.

Jasmine Green (Green)

Green tea blended with fresh jasmine blossoms by a traditional tea scenting process. The green tea absorbs the natural essence from fresh jasmine blossoms & imparts a sweet & soothing fragrance in every cup.

Peony (White)

White Peony (Bai Mu Dan) is the most common style of traditional white tea & consists of two tea leaves and a silvery bud. Bai Mu Dan is prized for its smooth, sweet flavour and slightly woody, toasted aroma.

White Peach Blossom (White)

White teas hand blended with the natural essences of succulent peaches & tangerines. The flavour of sweet peaches is well balanced with accents of fresh citrus & white tea character.

Iron Goddess of Mercy (Oolong)

A light golden-amber infusion with a smooth body and sweet finish. Its aroma is profoundly reminiscent of baked grain and dried apricot.

Orange and Lemon (Rooibos)

(Caffeine free herbal)*

Peppermint Rooibos (Herbal)

*The fresh minty flavour & aroma is perfectly balanced with the rooibos, which adds a sweet edge to the blend. The hint of added bergamot oil creates an extra zip in this infusion.
