Earl Grey (Black)

A blend of Ceylon and Calabrian bergamot oil. A true citrus explosion.

Assam (Black)

A small farm that is close to our hearts due to the profile of the teas that it produces (Khongea). Rich, Malty, Sweet - all the characteristics that you would expect from a good quality Assam.

Russian Caravan (Black)

A delightful blend of a smoked Chinese (Lapsang) and a mellow, naturally smoky tea (Keemun). A smooth version of the famed lapsangs ideal for when you need the warmth and comfort that only a cup of tea can provide. Named after the journey that teas used to take from the East to the West - and the aroma imparted onto the leaves during the fires lit when the traders used to set up camp for the evenings.

Orange Blossom (Green)

Orange Blossom is a refreshing and floral blend of Chinese green tea with sweetly-scented blossoms, lemongrass and tropical citrus fruits. Zesty and invigorating.

White Peach Blossom (White)

White teas hand blended with the natural essences of succulent peaches & tangerines. The flavour of sweet peaches is well balanced with accents of fresh citrus & white tea character.

Iron Goddess of Mercy (Oolong)

A light golden-amber infusion with a smooth body and sweet finish. Its aroma is profoundly reminiscent of baked grain and dried apricot.

Turmeric & Ginger (Rooibos)

Energising and cleansing - this vibrant herbal blend is one of the most popular caffeine free infusions around these days. Containing rooibos, turmeric and ginger it delivers a sweet blanketed caffeine-free cocktail of the reknown roots. (Caffeine free herbal)

Hibiscus Berry (Herbal)

Peppermint (Herbal)

Peppermint is proven to be calming and soothing to the digestive system. It gives a naturally caffeine-free, refreshing minty infusion far superior to any peppermint teabag on the market today. (Caffeine free herbal)
